About Amina:

Amina has always excelled in academics, consistently securing top ranks. She is hardworking, devout, and regular in her salah, upholding strong Islamic values.

She balances her professional life with household responsibilities and enjoys reading and crafting. Amina leads a disciplined and purposeful life.

Partner and Family preference:

We are from the Arain community with family roots in Lucknow. Our family has a progressive mindset and gives importance to good character, education, and religious values over caste or social status.

We are looking for a **well-educated, religious family that values simplicity, humility, and education-**who share similar values.
